Bishop Steven Benford invites you to an Anglo-Catholic Hui, August 9-11, Dunedin.

The programme will include presentations on: sacraments, discipleship, the Holy Spirit, work with children & youth, spirituality. Opening mass 6pm Thursday August 9th, closing mass 12.30pm Saturday August 11th.

The hui is for any Anglican (young or old, lay or ordained) interested in the ministry and mission of the church from an Anglo-Catholic perspective. The hui aims to inspire those from the catholic tradition of Anglicanism to be a positive force for the Gospel and a model for effective mission in Aotearoa New Zealand today.

Bishops, priests, deacons and laypeople will gather in Dunedin to worship, socialise, encourage each other, learn from each other, challenge each other and have a great time together. We will look to the future and discern how we can best use the riches of the catholic tradition to proclaim the gospel in our context.

You are warmly invited to participate.

Haere mai koutou, huihui tātou, everyone welcome. Please spread the word.
